

John Deere a history Book 1 By Finn

I went to Santa Cruz on the weekend. I read Tintin on the drive there. It was a two hour drive. Finally we got there we drove thru

Santa Cruz to my great Aunt and uncles house. They have a swimming pool and and a hot tub. I had so much fun in the

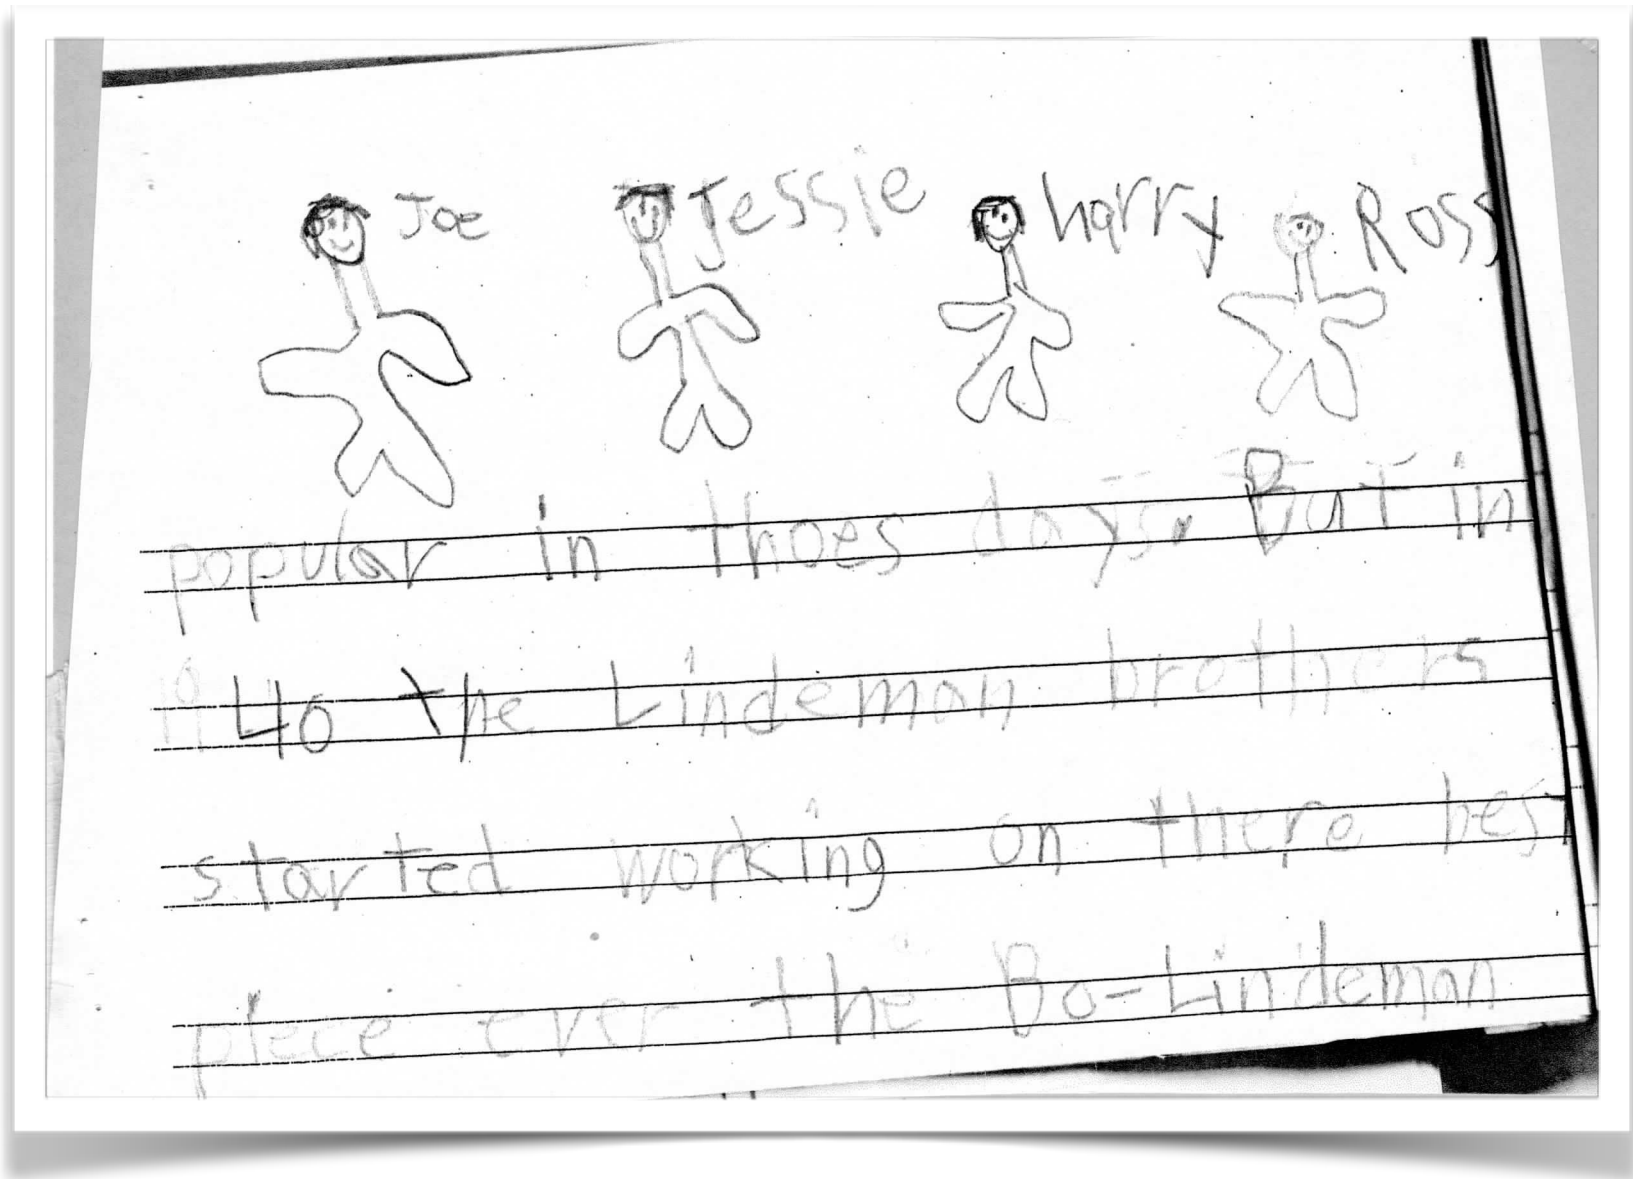

pool. And then there was the  
tractor. It was an old Lindeman,  
It was a very old one. I sat  
in it for at least an hour

pool. And then there was the tractor. It was an old Lindeman. It was a  
very old one. I sat in it for at least an hour.
